1333 5th Ave, Anoka, MN 55303 (763) 323-0741

Montessori Renaissance Academy, a non-profit, non-denominational private school, is offering a special summer session for elementary students age 6+. Unlike summer school or daycare, the MRA Elementary Summer Session will consist of field trips, water park visits, and special technology education opportunities on a weekly basis. These activities are included in the weekly cost. This is an excellent opportunity to test drive a Montessori education for your child. Come for the summer and make new friends!

## WEEKLY FIELD TRIPS, WATER PARK, AND MINECRAFT!

A different field trip destination is planned for each week of the summer session, and the students will visit the nearby Anoka Aquatic Center on a weekly basis as weather permits. You don't have to make the difficult decision between academic progress, experiential learning, and just having fun because this program has all three!

## MONTESSORI CERTIFIED INSTRUCTOR

Summer session will be led by the Montessori certified elementary instructor who leads our regular school year elementary program. This is an excellent opportunity to test drive our elementary program for new parents, and current MRA students benefit from the continuity provided by having the same instructor year round.
