For upcoming 1st graders: Weekly Water Day!

Due to the unpredictability of Minnesota weather, Water Day will be determined based on the conditions outside. Because of this change, Water Day gear needs to be brought at the beginning of every week and left at school, similarly, to nap gear. We will place a sign in the hallway by the computer when your child's water gear needs to be taken home. Please bring it back the next day, so that we can possibly have more than one water day each week.

Nap time will be pushed back 30 minutes on Water Days. Please refer to the Summer Camp Schedule.

Aquatic Center Water Day 2024 *For Upcoming Grade 2 & Up*

We are excited to continue going to the Anoka Aquatic Center this summer! The upcoming Grade 2 & up students will go to the Aquatic Center weekly for Water Day. Upcoming 1st graders will stay at MRA for water day.

Due to the unpredictability of Minnesota weather, Water Day will be determined based on the conditions outside. Because of this change, Water Day gear needs to be brought at the beginning of every week and left at school. We will place a sign in the hallway by the computer when your child's water gear needs to be taken home. Please bring it back the next day, so that we can possibly have more than one water day each week.

We are looking for parent volunteers to help chaperone! While the Center does have lifeguards on hand, we are responsible for our own group so having parent volunteers to help us monitor the safety of the students while at the Aquatic Center is much appreciated.

Your child should come to school in regular clothing. Please do not send them in swimwear. The children will change into their swimsuits prior to leaving MRA. If the locker rooms are available, the children will change out of their swimsuits at the Aquatic Center. If not, they will walk back to MRA before changing out of their swimsuits.

For your child to attend, they will need...

- A season pass: This is the best option if your child will be in attendance consistently throughout the summer. If your child is only attending a few weeks throughout the summer, you can provide them with cash on the day to purchase a daily pass.
- ALL of the necessary water gear: swimsuit, towel, sunscreen (non-aerosol), outside shoes, swimsuit cover up/clothes, reusable bag (to carry all of their items)

If your child forgets their gear, they will still accompany the rest of the class to the Aquatic Center but will not be allowed in the pool. **If your child forgets your Aquatic Pass**, MRA will buy a daily pass for your child and charge your account.
